

# Balancing the best care with value for money

Mr Meindert Boysen, Head of International Affairs

November 2022

**NICE** National Institute for Health and Care Excellence

**Congratulations!**

**NICE**

## A strong partnership with a global reach

- NICE and AWMSG working together has delivered faster access to more medicines for the people of Wales
- The New Treatment Fund helped reduce the time taken for newly recommended medicines to become available to patients from **90 days to 13 days**
- We continue to collaborate globally – benefiting people accessing healthcare around the world.

## NICE is a world-class organisation, but the world around us is changing

- The pace of change in health and care is unprecedented.
- To play our part in the future of health and social care, we need to continue to evolve.

## Our ambition for NICE in the future

NICE

**Getting the best care to people, fast, ensuring value for the taxpayer**

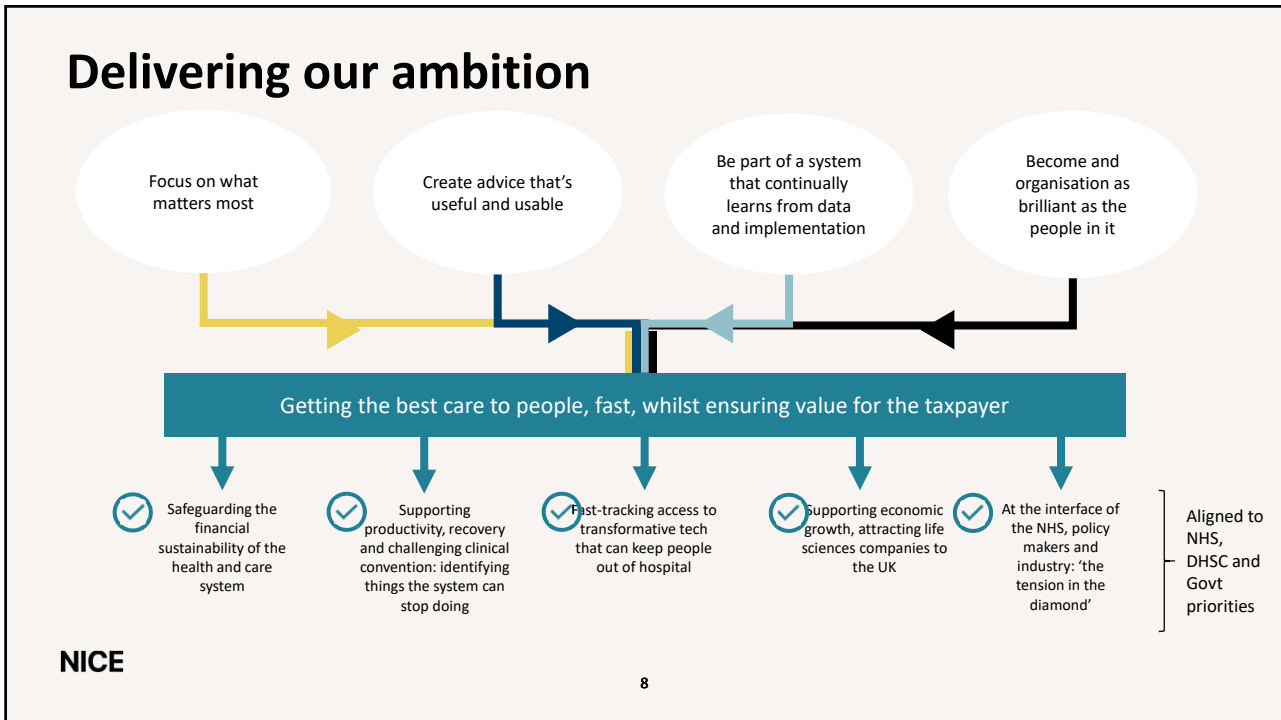

## NICE has engaged with stakeholders

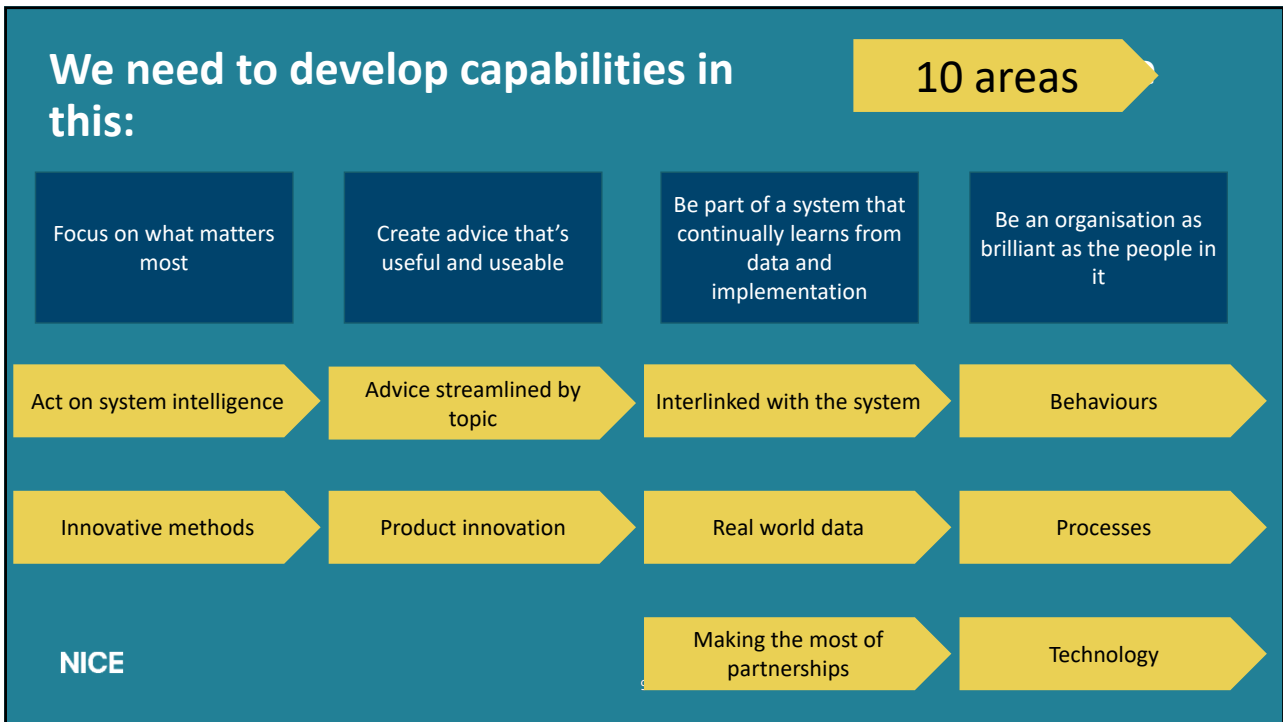

To understand how we need to respond to these challenges and develop as an organisation

**NICE**

### What we heard:

- Focus on what matters most
- Create advice that's useful and usable
- Be part of a system that continually learns from data and implementation
- Become an organisation as brilliant as the people in it
