## **Decision process for full and limited submissions**

AWMSG reserves the right to request a full submission at any time and will provide a full explanation of its decision. If you intend on submitting a Wales Patient Access Scheme (WPAS) please refer to the WPAS section of the AWTTC website.

\* AWMSG appraisal is no longer required for most medicines with a minor paediatric licence extension where the medicine is already recommended for use by NICE or AWMSG in the adult population.
