

Final Appraisal Recommendation

Advice No: 1218 – July 2018

Ciprofloxacin (Cetraxal®) 2 mg/ml ear drops solution in a single dose container

Limited submission by Aspire Pharma Ltd

Recommendation of AWMSG

Ciprofloxacin (Cetraxal®) is recommended as an option for use within NHS Wales for the treatment of acute otitis externa in adults and children older than 1 year with an intact tympanic membrane, caused by ciprofloxacin susceptible microorganisms.

In reaching the above recommendation AWMSG has taken account of the appraisal documentation prepared by the AWMSG Secretariat (reference number 1343), which includes the AWMSG Secretariat Assessment Report (ASAR), the Preliminary Appraisal Recommendation (PAR) and the applicant company's response to the PAR, clinical expert opinion (where available), the views of patients/patient carers (where available) and the lay member perspective.

This recommendation has been ratified by Welsh Government and will be considered for review every three years.

Date of first issue	July 2018
