

MEDICAL TOXICOLOGY 2023

6th & 7th OCTOBER 2023
LEONARDO HOTEL,
CARDIFF, UK.

This intensive two-day course is designed for those interested in medical toxicology. This course will aide those who wish to gain expertise in the practical management of common toxicological problems.

Previous attendees included nurses and physicians from urgent care, minor injuries, emergency and intensive care departments, paramedics, medical students, specialist registrars, consultants and specialists in poisons information.
